To whom it may concern:

This letter shall serve as a letter of recommendation for Dana Shelley, my former court reporter of eight years.

I have been sitting as a judicial officer for fifteen years. During that time I have had an opportunity to observe the work of many court reporters, and I can honestly say that Ms. Shelley is the best court reporter with whom I have ever worked.

She is hard working, unfailingly calm and pleasant, professional, and always prompt, both with her work appearances and transcriptions. Ms. Shelley treats litigants, lawyers, and court staff with courtesy and respect. Above all, Ms. Shelley is a highly competent court reporter. Her rough drafts are so readable and accurate that the Live Note screen is a joy to behold.

If you are looking for a full time court reporter, Dana Shelley would be an excellent choice. I was very sad to lose her and hope that she finds a good home in another court. She deserves it!

If you would like further information about Dana Shelley, do not hesitate to give me a call (213-351-8639).

Sincerely,

Jane L. Johnson
